THE TOP PRIVATE UNIVERSITY IN EGYPT

Welcome to Future University in Egypt

Welcome to Future University in Egypt (FUE). We are proud to offer a dynamic, inclusive, and forward-looking learning environment that fosters academic excellence, innovation, and opportunity.

Since our establishment in 2006, FUE has been committed to delivering high-quality education that prepares students to succeed globally. Our six distinguished faculties — Dentistry, Pharmacy, Engineering, Technology, Business, and Political Science — integrate academic rigor with practical experience to ensure our graduates are ready to lead and thrive in a rapidly evolving world.

Through international collaborations, state-of-the-art facilities, and faculty members ranked among the top 2% of scientists worldwide, FUE empowers students with the skills, knowledge, and global exposure needed to make meaningful contributions to society.

We invite you to explore all that FUE has to offer and become part of a university community that values knowledge, embraces innovation, and nurtures future leaders.

We hope you enjoy exploring the information in this brochure, and we look forward to welcoming you to FUE soon.

Sincerely,

Future University in Egypt

History of **FUTURE UNIVERSITY IN EGYPT**

Future University in Egypt (FUE) was founded in 2006 to provide high-quality, globally competitive education in a modern learning environment. Located in New Cairo, FUE quickly rose to prominence as one of Egypt's top private universities.

With six accredited faculties, advanced labs, and international partnerships, FUE blends academic excellence with real-world experience—empowering students to succeed in a fast-changing global landscape.

→ Core Values

1

Excellence

We are committed to academic and professional excellence in everything we do—empowering students to achieve their highest potential.

2

Integrity

We uphold honesty, transparency, and ethical standards in learning, research, and community engagement.

3

Innovation

We embrace creativity, technology, and forward-thinking to drive progress and prepare students for the challenges of tomorrow.

4

Community

We foster a caring, inclusive, and service-oriented environment that inspires collaboration and societal impact.

Academic Programs

Curriculum Overview

Future University in Egypt offers a comprehensive and globally aligned academic journey across six diverse faculties. Our programs are designed to prepare students for real-world careers by combining academic depth, hands-on experience, and international exposure.

We focus on developing critical thinking, creativity, collaboration, and communication—skills essential for leadership in today's world.

1

FACULTY OF ENGINEERING & TECHNOLOGY

Offers 10 unique programs including Mechatronics, Structural, Renewable Energy, and Petroleum Engineering. Equipped with cutting-edge labs, simulation centers, and industrial training.

Global Partners:

- University of Cincinnati (USA)
- Missouri S&T (USA) – QS Top 70 in Mineral & Mining

Accreditation: NAQAAE (Egypt)

2

FACULTY OF PHARMACY

ACPE-accredited PharmD and Clinical PharmD programs, offering hands-on research experience and access to pharmaceutical factories.

Global Partners:

- University College Cork (UCC), Ireland – QS Top 300

Accreditation:

- ACPE (USA – Accreditation Council for Pharmacy Education)
- NAQAAE (Egypt)

3

FACULTY OF COMPUTERS & INFORMATION TECHNOLOGY

Leading programs in AI, Cybersecurity, Data Science, and Computer Science — aligned with global industry standards and certifications.

Global Partners: University of Cincinnati (USA)

Corporate Certifications: Cisco, Oracle, SAP, Microsoft, Huawei, Odoo

Accreditation: NAQAAE (Egypt) & ABET Accreditation

Academic Programs

4

FACULTY OF ECONOMICS & POLITICAL SCIENCE

Focused on diplomacy, governance, and media. Features UN simulation models, political media labs, and international affairs lectures.

Global Partners: University of Cincinnati (USA)

Accreditation: NAQAAE (Egypt)

5

FACULTY OF ORAL & DENTAL MEDICINE

Home to one of the region's top dental hospitals, treating 800+ patients daily. Offers MSc & PhD programs with advanced training in AI, 3D printing, and microscopic dentistry.

Global Partners: Case Western Reserve University (USA) – QS #259, Shanghai Top 200

Accreditation: NAQAAE (Egypt)

6

FACULTY OF COMMERCE & BUSINESS ADMINISTRATION

ACCA-accredited programs in entrepreneurship, marketing, finance, HR, and digital transformation. Combines academic rigor with real-world application.

Global Partners: University of Cincinnati (USA)

Accreditation & Memberships: ACCA (UK) & NAQAAE (Egypt)

01

University College Cork (UCC), Ireland

Ranked 273 in QS and 151–200 in Shanghai for Pharmacy, UCC is one of Ireland's top research universities. Our partnership enhances FUE's pharmacy programs through curriculum development, training, and exchange opportunities.

02

University of Cincinnati (USA)

With QS and Shanghai rankings of 761–770 and 201–300 respectively, the University of Cincinnati brings strong expertise in engineering and political science. FUE students benefit from joint programs and summer training.

03

Case Western Reserve University (USA)

Ranked 259 in QS and 151–200 in Shanghai, Case Western is a leading U.S. university. This collaboration supports FUE's dental and medical programs with joint research and student exchange.

04

Missouri University of Science and Technology (USA)

Globally ranked in the top 70 for Engineering–Mineral and Mining (QS), Missouri S&T strengthens FUE's engineering programs through advanced training, research, and exposure to emerging technologies.

Why FUE?

✔ 99% graduate employment rate within 7–11 months

FUE graduates are highly sought after by employers, thanks to strong industry connections, practical training, and career-ready programs.

✔ Top-ranked private university in Egypt

Recognized nationally and regionally for academic excellence, FUE consistently ranks among the top 5 universities in Egypt and the top 50 in the Arab region.

✔ Accredited programs and international partnerships

All faculties are accredited by NAQAAE, with global accreditations such as ACPE and ABET, and partnerships with top universities in the USA and Europe.

✔ Career support, mental health services, and student advising

FUE offers personalized guidance through career advising units, psychological health services, and academic support to help students thrive.

✔ Safe, modern, and accessible campus in New Cairo

Our state-of-the-art campus offers green spaces, advanced facilities, student housing, banking, and healthcare—all within a secure, vibrant community.

Together We Learn, Together We Grow

Learn

Play

Think

Play

Sports and recreation are essential for a balanced student life. Our modern facilities and club partnerships ensure students stay active and engaged.

Learn

With internationally accredited programs, global partnerships, and research-driven teaching, FUE students receive a world-class education that opens doors worldwide.

Think

Through debates, simulations, and interdisciplinary learning, we empower students to think independently, solve problems, and challenge norms.
