

Faculty of Economics and Political Science

Management of Justice

Information :

Course Code : PAD 208

Level : Undergraduate

Course Hours : 3.00- Hours

Department : Department of Public Administration

Area Of Study :

This Course aims to lay down the difference between the notion of justice and law. It deals with the organization and arrangements of courts and prosecution; selection of administrative leaderships in courts; achieving judiciary justice. The course also introduces principles relating to social justice, economical justice, moral justice, and political justice. Students explore the theory of justice as a social contract and get to realize the difference between what is justice and what is law.

Course Goals:

- 1- Identify the different kinds of courts and their jurisdiction.
- 2- Scrutinize the court system deficiencies and lay down possible solutions.
- 3- Realize the differences between Law and Justice as a concept.
- 4- Critically analyze the different kinds of justice in the society.
