

Basic Information :**Name :** Hanaa Bayoumy Ali Mubarrez**Title :** Head of the Computer Science Department

I am an Associate Professor of Computer Science at the Faculty of Computers and Artificial Intelligence at Cairo University, and I currently serve as the Head of the Computer Science Department at the Faculty of Computer and Information Systems at Future University. My research actively focuses on Natural Language Processing (NLP), machine learning, and deep learning. I am passionate about developing technology that enables computerized natural language processing to become as fluent as human communication. I have supervised numerous research projects in this area and have a keen interest in the impact of deep learning across various fields, particularly in medical field, NLP, and security.
