

Basic Information :

Name : MOHAMED ATTIA MOHAMED ABDELGAWAD

Title : Head of the Information Systems Department

Mohamed Attia is a Lecturer at the Faculty of Computers and Information Technology, Future University in Egypt, where he is currently serving as the Acting Head of the Information Systems Department. Born in Cairo, Egypt, in 1987, he obtained his Bachelor's degree from the Faculty of Computers and Artificial Intelligence, Cairo University, and subsequently earned both his Master's and PhD degrees in Information Systems from the Faculty of Computers and Artificial Intelligence, Helwan University. His research interests encompass big data analytics, business intelligence, data mining, information retrieval, data engineering, and cloud computing, with a particular focus on employing advanced data-driven methodologies to address practical challenges in the development and deployment of intelligent, efficient, and scalable information systems.

Education:

Certificate	Major	University	Year
PhD			2022
Masters	..		2017

Teaching Experience:

Name Of Organization	Position	From Date	To Date
FUE	Acting As Head of Dept	19/09/2018	Current

Researches / Publications :

A Statistical-Mining Techniques Collaboration for Minimizing Dimensionality in Ovarian Cancer Data
A Proposed Multi Criteria Indexing and Ranking Model for Documents, Web Pages on Large Scale Data
Challenges and Recommendations in Big Data Indexing Strategies
A Model for Assessing and Enhancing Efficiency of Elearning systems
Constructing Multi-Dimensional Criteria Model for Evaluating E-learning Systems Efficiency in the Higher Educational Organizations
