

Basic Information :

Name : Yehya Serag

Title : Vice Dean

Yehya Serag received a Bachelor degree in Architecture with a major in Urban Planning and Design from Ain Shams University, Cairo. He, then, obtained his MA in human settlements (PGCHS - Catholic University of Leuven) as well as a Post Graduate Certificate in spatial and regional planning after completing the European Module for spatial development and planning (New Castle University). He graduated with a PhD on the topic "Networking and networks as tools for regional development and planning: Human settlements development potentialities in the Western part of Egypt" from the department of Architecture, spatial planning and landscape (Catholic University of Leuven). Since April 2014, Serag holds the position of an associate professor of urban and regional planning at the Department of Urban Planning and Design at Ain Shams University. From December 2010 to September 2014, he coordinated the MSc IUSD. He is currently interested in the impact of politics on urbanism as a new line of research, as well as , urban and regional strategic planning and development.
